"Awful. It was only 160 pages, but it took me several months, and a great deal of determination to finish."

### Catcher in the Rye

"I know this is a classic, but I hated this book. I hated Cathy, I hated Heathcliff and I thought everyone should just be smacked with the skillet and sent to bed without dinner."

"The only joy I got from this book is reading the one-star reviews so I could agree with all of them."

"How on earth did Agatha Christie become so famous?"

Ready Player One

Murder on the  
Orient Express

"Dumb book. So cheesy. I couldn't get through 100 pages."

"Who I would recommend this book to is nobody."

Divergent

To Kill a Mockingbird

"This is really a horrible book. I kept waiting for some explanation of the storyline, but none came. I guess they want me to read the next three volumes. It is not going to happen!"

Life of Pi

"Had to buy for school but whatever."

"It is a shame that this book has received best-seller status - it means that the author will likely continue in the same vein."

Wonder

The Lovely Bones

"If I believed in book-burning I would burn this book."

"One star because it was a page-turner--that's it. It was like eating a bag of Cheetos that you don't even like because you want to get rid of them."

The Hate U Give

Twilight

"IT SUCKS!!! I'd rather watch grass grow on my front lawn, or better yet watch a documentary on the history of the ice cube tray."
